My dear fellow students,

To each of you, particularly graduating seniors, I express my heartfelt congratulations. Our days in the fellowship of learning here at Milligan College have been most meaningful to each of us. In the coming years they will acquire even greater dimensions of meaning.

We have established life-long friendships. Our lives have been enriched as we have pursued the search for and the acquisition of knowledge within the Christian culture of this community. God has rewarded us with opportunity, with fulfillment, with challenge, and most of all with fellowship.

This treasure of sharing among students, faculty, alumni, and all of the members of the College will through the years grow more precious and more significant as we seek to serve our Lord in the vocations to which He has called us.

To those of you who at this commencement season take the next step in your life's service we give assurance of our continued interest, of our willingness to be of help in any way possible, and most of all of our continued prayer on your behalf. Together, wherever we serve by the grace of God, let us be flesh-and-blood demonstrations that Christian education is indeed the hope of the world.

Freshman Week

Each year the first week of school is traditionally called Freshman Week at Milligan College. This week serves as an initiation and adjustment period for the Freshman as well as a lot of fun. This year proved to be no exception. Upon their arrival, the Class of '72 was greeted by the Student Council and ushered into a week of activity including team sports, helping upper classmen move in, the Faculty Reception, practice Registration, Matriculation, and the dreaded Holocaust. Although at the time he might consider Freshman week a nuisance, a Freshman usually keeps his dink and the good times and friends he made during this week among his fondest Milligan Memories.

Who's Who

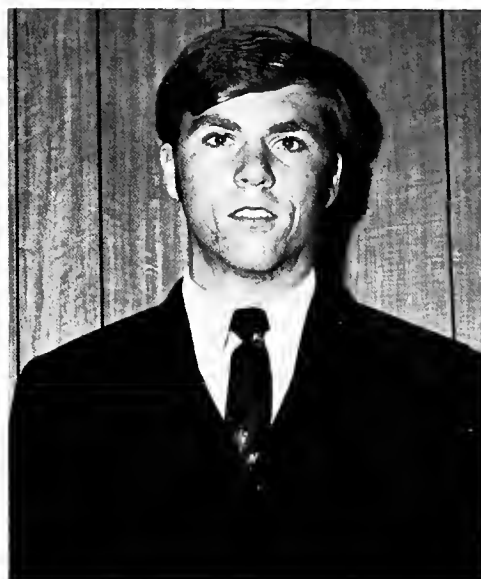

Each year the faculty of Milligan College selects outstanding Seniors on the basis of their scholastic accumulative average, their participation in extra curricular activities, their citizenship, character, and their usefulness to the community for Who's Who in American Colleges and Universities.

Every fall Sadie Hawkins visits Milligan. She doesn't stay a day, however. A week of madness and entertainment ensues as she makes her presence known. Girls opening doors, carrying books, and calling for their friends at the dorm are just part of the happenings during TWIRP Week. A few persons always manage to get caught violating the traditions of the affair. The Kangaroo Court insures justice and acts mercifully?

The U.M.O.C. invaded the Milligan College campus in November to collect money for the United Fund. Not only were they on campus in full force, but all eleven of them visited the cafeteria and haunted the girls' dorms for an evenings. They were greeted with shrieks and signs such as "Welcome Ugly Men," "Enter Without Knocking" and others. The entire United Fund campaign was climaxed with a Hootenanny and the award for the "best" Ugly Man. MENC and Choir seemed to have the key to the success of Ugly Men. Jim Cord walked away with the prize of Ugly Man of the Year.

Founder's Day

The highlight of Founder's Day this year was the inauguration of Dr. Jess W. Johnson as the President of Milligan College. Dr. Johnson assumed the duties of President upon the retirement of Dr. Dean E. Walker present Chancellor of the college. Representatives from colleges and universities from all over the United States were present to witness the inauguration and to extend their best wishes to Dr. Johnson. General Harold K. Johnson, U.S. Army (retired), Army Chief of Staff presented an inspiring inaugural address. The Concert Choir provided the special music.

In the evening, festivities continued with the Founder's Day program. The audience enjoyed a secular concert by the Concert Choir and the Chi Rho Three. The highlight of the evening was the coronation of Miss Kathy Wymore as the Founder's Daughter. The program concluded with the Milligan Family singing the Alma Mater. A reception in honor of Miss Wymore and Dr. Johnson followed in the lower Auditorium.

Toys for Tots

Sponsored by the U.S. Marine Reserves and helped through the generosity of local merchants, scores of students set out in borrowed trucks to collect as many cast-out toys as possible. Canvassing the nearby cities, the students worked exceptionally hard and enthusiastically to help others have a better Christmas.

The second annual Madrigal Dinner was presented by Milligan College early in December. The dinner is an "authentic recreation of the customs, the music, and the costumes of 16th and 17th century England," given in an atmosphere of candlelight splendor. Following a fanfare by three trumpeters, a processional of lords and ladies costumed in rich medieval dress paced majestically to their tables. Thus began an unforgettable evening of friendship, color and music to create the feeling of happy holidays and Merry Christmas.

Wonderful

Wednesday

The date is Wednesday April 30, 1969. The time is 6:00 A.M. You are awakened by loud voices in the hall. You get up to investigate the cause of your sudden awakening and find a slip of paper that has been slipped under your door. "Classes dismissed. Everyone report to the chapel at 8:30 this morning." You then join the commotion in the hall. "It's a prank!" "No, I saw some teachers put them under the door." "Maybe the faculty's on strike!" "You don't suppose something has happened to one of the faculty members!" "Maybe we declared war!" You then join the mass exodus to breakfast and then . . . to the chapel.

The time is 8:30 A.M. You are standing with the entire Milligan student body and faculty in front of the chapel. You see TV cameras covering this event . . . what ever it is. But here comes Dr. Johnson and he is unrolling a big scroll. What is he saying? "Whereas the Milligan family is suffering from a severe case of spring fever; whereas the college is under the study of the self-study committee; whereas every body likes picnics and homemade ice cream; whereas Milligan is known as the "Singing campus of the South"; this day is declared to be Wonderful Wednesday."

The time is twelve noon. You are sitting on the tennis court lawn enjoying the company of your friends and your picnic lunch. You are talking about the group discussions of the morning. You think, "This sure beats Berkley and the SDS. It's too bad that other schools cannot have the close student-faculty relationship of Milligan." Quiet! Miss Bonner is explaining the afternoon's activities.

The time is 11:00 P.M. You wearily climb into bed. You think of the events of the day: Mrs. Young playing softball for the Senior girls, Dr. Johnson serving as umpire for the boys, how disgusted you were when the Freshman cut line for ice cream because they had won the afternoon's activities. Wasn't the all-campus singout fun?" Finally you drift into slumber thinking, "It certainly was a Wonderful Wednesday."

June 1 and June 2 ended a long four years for one hundred twenty-five Milligan students. The procession from the tennis courts to the Chapel was the last walk these young people will take as Milligan College students. They left the Chapel to become a part of the Milligan College family of alumni. Mr. L. Palmer Young, father of one of the graduates Robert Young, was the speaker for the Baccalaureate services. Dr. Nat T. Winston, Jr., Commissioner of Mental Health for the State of Tennessee and President of the Tennessee Psychiatric Association was the speaker for the Commencement exercises.

PEOPLE

Milligan College was saddened this year by the death of two cherished friends. On Tuesday, October 22, 1968, Mr. B. D. Phillips, one of Milligan's greatest benefactors passes away. Due to his generosity we enjoy the uses of the P. H. Welshimer Library and the Seeger Memorial Chapel. He knew the meaning of true "Christian Stewardship." On Saturday morning, October 26, Dr. Henry Derthick the eighth President of Milligan College, also went to meet his Beloved Master. Dr. Derthick led the College through the trials of World War I and the Great Depression. His leadership, belief in youth, and his faith made it possible for Milligan College to remain in existence. To both of these outstanding men we are greatly indebted . . . We are grateful for their faith in God, and their faith in us.

"I am the resurrection, and the life; he that believeth in me, though he were dead, yet shall he live; And whosoever believeth in me shall never die."

John 11:25-26

"For what is your life? It is even a vapour, that appeareth for a little time, and then vanisheth away."

Buffs Second in Nation's Small

The Buffs moved their home games to Happy Valley Gymnasium this season and here the fans experienced many memorable moments, both joyful and somber. Highlights of the season included Milligan's ranking second in the nation's small colleges in free-throw percentage; and Cash, Seegers, and Glass ranking 4th, 9th, and 15th, respectively, in free-throw shooting in the nation. The Buffs will be losing team captain Bill Seegers and Frank Hare, but the remaining nucleus will work hard to compile a winning record for the coming season.

OPPOSITE: Left to right, Bob Winters, Bob Young, J. B. Hampton, Tom Manus, Stan Kinnett, Ron Worrell, Darryl Brooks, and Coach Walker.

BELOW: Left to right, Patti McKinney, Joyce Quilling, Laura Caley, Janet Ferguson, Corrine Bell, 2nd ROW, Miss Bonner, Mary Lou Phillips, Becky Day, Marty Flynn, Kathy Stout, and Rachael Backman. *KNEELING*, Karen Hagamen.

“Vim, vigor, and vitality” were the key words of the girls’ basketball team this year. Under the coaching of Miss Bonner, the team performed their best against such teams as King, Mars Hill, Emory & Henry, V. I., Sullins, and Hiwassee.

For Hours of Practice

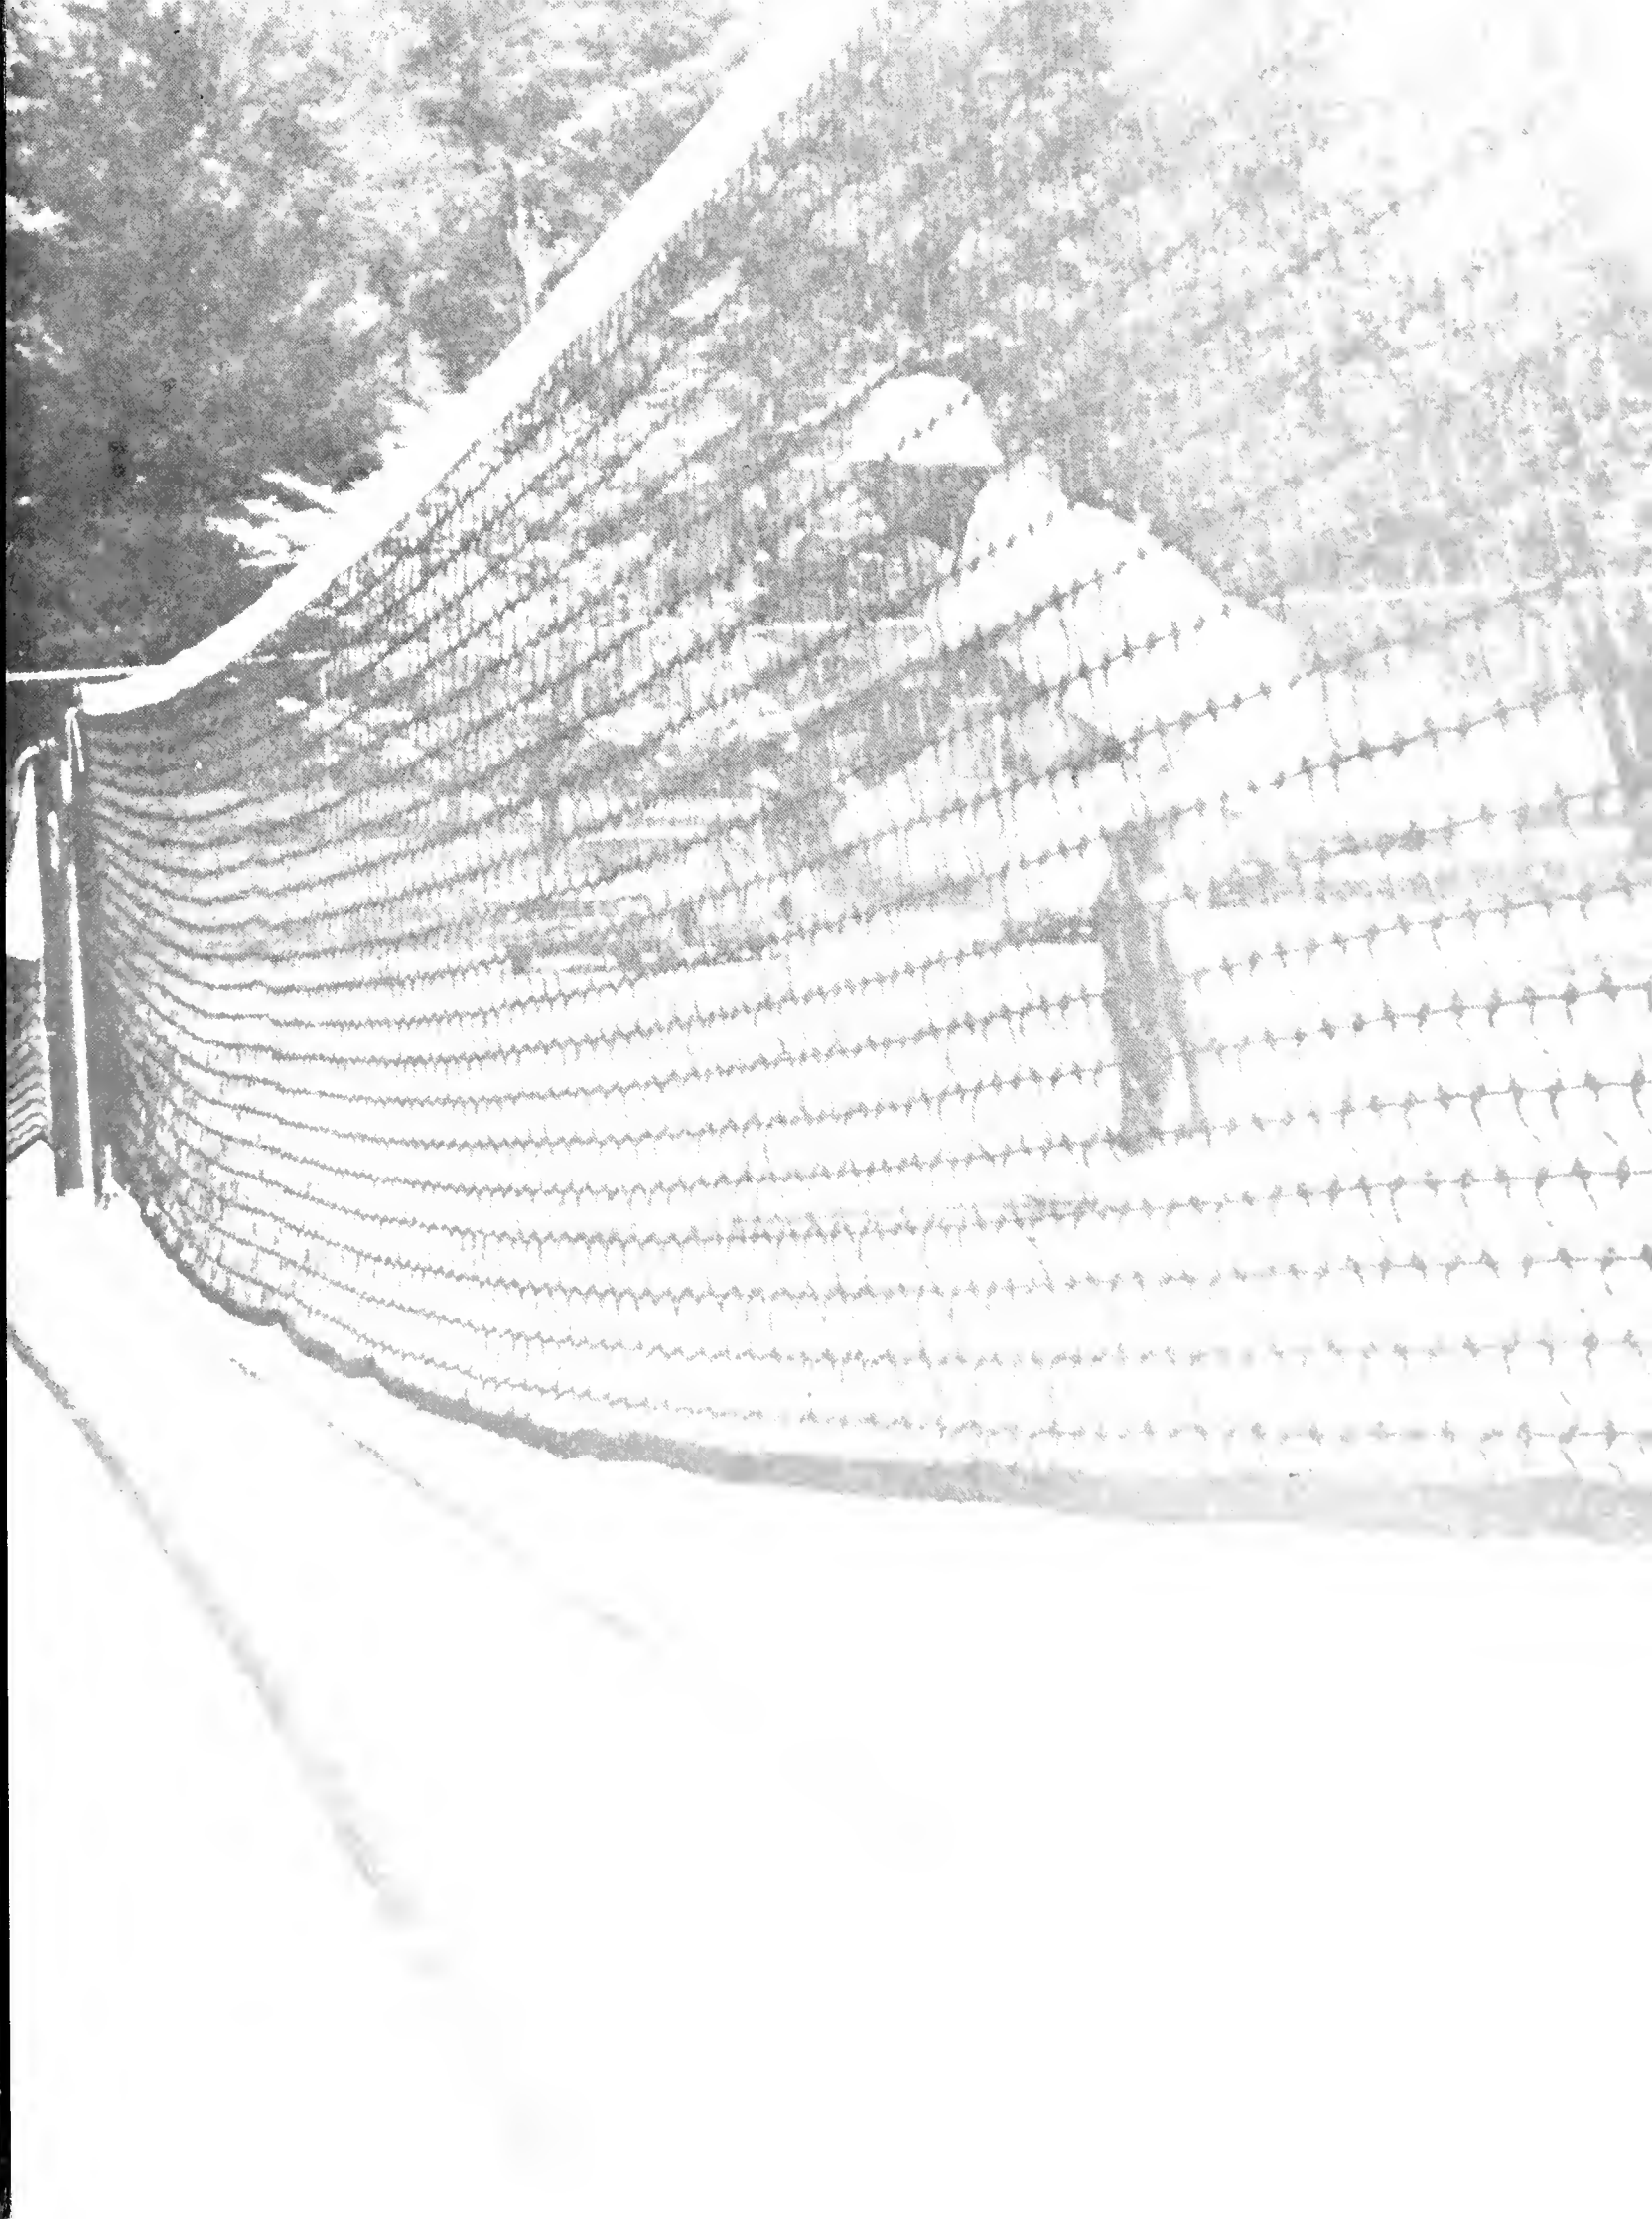

Under the coaching of Ralph Wheeler, the tennis team showed improvement in their tennis tactics and team play.

After losing the 'big five', this year's baseball team was one of rebuilding, and in accomplishing this task they established a record of 11—14. The Buffs had a rugged 25 game schedule, and Paul Molchan and Mike Mutterspaugh finished the season batting well over .300. Gayle Cox was the leading pitcher with a 3—0 record and an ERA of 0.00.

Intramurals are always an important part in the lives of Milligan students and this year was no exception. It was a close race with the winner undecided until the final game. The Born Losers won the championship with a 'come from behind' victory over the White Hats.

Three school records in track were broken by two members of the team. Dan Clifton set two new school records for the 100 and 220 yard dash. His times for these were 9.7 and 21.3. Using the same pole Dick Plynale used ten years ago, Steve Kardos set the new pole vault record at 13.2 3/4 feet. Dan Clifton represented Milligan in the national N.A.I.A. meet in Billings, Montana.

After a 9—4—1 regular season, the Milligan matmen entered the twenty-third annual Southeastern Intercollegiate Wrestling Association Championships held at Auburn University. Also entered in the meet were the SEC rivals, Alabama, LSU, Georgia, Tech, Univ. of Florida, and Univ. of Tennessee. From this meet with participating schools twenty times the size of Milligan, the Buffs placed second, only three points behind the all-powerful Auburn.

Pete Beavers, 145 lbs., and Tony Farrace, 177 lbs., won the S.E.I.W.A. championship in their respective weight classes, and by virtue of their victories, they were sent to Omaha, Nebraska to compete in the N.A.I.A. wrestling tournament.

Edison's light bulb in 1879 — today, the electronic age. No industry has had faster growth — nor contributed more to mankind — than the electric utility.

Electric power turns the wheels of industry . . . heats the baby's bottle . . . runs computers . . . cools and heats the home . . . powers hospital equipment . . . operates the electric iron. No job is too small or too large for electric power.

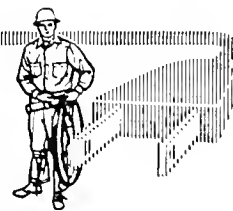

Electric power works around the clock, in extremes of heat and cold. It is unique. Science has found no substitute for it.

We pledge to provide you an abundant supply of electric power — at low cost — to help this area move forward in a new age.
